Tyson® Uncooked Fast Finish® Smedium Bone-In Wings

Storage Method

Frozen

Cook Method

Convection

Deep Fry

- Smedium" size delivers a meaty wing that still has a fast cook time and more pieces per pound on average.
 - Pre-set marinade and coating assures no splattering in the fryer.
 - Customizable light seasoning pairs with any sauce or coating, or is also great as a standalone.
 - Labor-saving par-fried product cooks from frozen, shortening prep time and helping to reduce food safety concerns.
 - 1-hour hold time makes the wings great for prepping ahead of time and also for takeout occasions.
 - Made in the U.S.A. product provides peace of mind and confidence in sourcing.
-

Serving suggestions

Toss wings in a honey garlic sauce and top with chili crisp, fried garlic chips and green onions to create a simply sensational new flavor profile.

More about this item

Tyson® Uncooked Fast Finish® Smedium Bone-In Wings are made for quick prep and unlimited flavor possibilities. The "smedium" size and par-cooked format deliver a meaty wing that still has a fast cook time, enabling you to get orders on a plate or in a to-go box in just minutes. Our unique starch-based coating results in light, crispy wings right out of the fryer, making them great as a standalone or as a carrier for a signature sauce.
