VEGGIE CARRIERS

Use vegetables as carriers & toppings for individual meals or snacks.

Culinary Tips

- ▶ Pre-roast the mushroom caps to ensure even cooking.
- ▶ Mushrooms absorb flavor, be creative with your marinade to have a bold flavor impact.
- ▶ For those cutting their own veggie toppings, cutting bell pepper boats are an easy prep step.
- ▶ Depending on the size of the boats, stuffed peppers can also function as a side or appetizer.

Pizza Mushroom Caps

Oven roasted, marinated Portabella caps topped with marinara, mozzarella & crispy *BONICI*® Pepperoni

NO CARRIERS

Rethink pizza using everything to build indulgent crustless meals for one.

Culinary Tips

- ▶ Assemble bowls the same way you would build a traditional pizza but without the extra labor of stretching dough.
- ▶ When selecting a container, choose one that is both durable & the right size for the portion.
- ▶ A crustless pizza bowl can also function as a shared appetizer. Serve with bread sticks or crostini.

Roasted Veggie Chicken Pizza Bowl

Crustless pizza bowl filled with Tyson® NAE Pulled Chicken, oven-roasted veggies & topped with toasted Parmesan.

PLANT-BASED PROTEIN SWAP

Use *Raised & Rooted*™ PBP (Plant-based Protein) products as a base to build indulgent meals & snacks.

Culinary Tips

- ▶ Use your unique pantry of ingredients to make a craveable handheld experience.
- ▶ *Raised & Rooted*™ products perform similarly to traditional chicken items, use wherever you would use crispy chicken.

PBP (Plant-based Protein) Supreme

Crispy *Raised & Rooted*™ Plant-based Filets topped with melted mozzarella & oven-roasted vegetables for a flavorful way to get some extra veggies.

PBP (Plant-based Protein) Parmesan Bites

Crispy *Raised & Rooted*™ Plant-based Tenders loaded with a rustic marinara sauce, mozzarella & Parmesan for a tasty twist on a classic dish.
